Operational Planning:

- Authorities related to the Federal Emergencies Act: RCMP Legal Services Unit (LSU) has confirmed that EMR authorities came into effect from the time it was registered and published in the Canadian Gazette (February 15, 2022). Thus, our members no longer need to obtain provincial or municipal authorities here in the NCR from the OPP and/or OPS (regardless of the Act's current status in the legislative process). The RCMP LSU has been tasked with looking at what the impact would be in the eventuality that the Act does not make it through the legislative process successfully.
- Memorandum of Agreement (MOA) – Municipal Agency Assistance: National Division is supporting various partners at RCMP National Headquarters in the drafting of a

formalized MOA to support the deployment of Vancouver Police Department and any other municipal forces who may deploy police officers to the NCR to assist with this Freedom Convoy response effort. Potential agencies include Halifax Regional Police, Regina Police Service, and Saskatoon Police Service.
